About

Kashan Zomorrod Carpet Company launched its business in 1990. Initially, the company produced 500-reed carpets which were unparalleled in quality at the time. Later on, it became a member of Iran's Textile Industries Association, it was chosen as the best example company in the province and could achieve ISO 9001, 45001 and 14001 from the British MIC company and TUV International.

Soon afterward, Kashan Zomorrod Carpet Company, could outdo its rivals by enjoying state-of-the-art technology and using 700-Reed HCP Carpet Weaving Machine.

At the moment, Kashan Zomorrod Carpet Company, is utilizing the latest and most advanced carpet technology such as 1200 and 1500 Reed HCI Carpet Weaving Machines, and is proud to produce new and innovative designs and patterns with unique colors to serve domestic and foreign customers.
